

### Kauai's driving tips & rental rates

Driving is conveniently easy in Kauai. All roads are paved, no need for Jeep or SUV. Turn right from Lihu Airport, continue on Kapule Highway, also known as Hwy 51, which merges into Kuhio Highway, known as Hwy 56. The route will take you to the Coconut Coast and North Shore and will get to the dead end at the Kee Beach, where the Na Pali Coast begins.

Aloha Beach Hotel Kauai has put together a price chart for the different car size and type.
